All building/ remodel jobs must complete this form and turn it in to the transfer station attendant before disposal. If your job requires a building permit a copy of the permit must be provided along with this form and turned in to the transfer station attendant before disposal. All loads should be covered to prevent any roadside litter. All loads should be placed neatly in the open top container and the unloading area should be free of debris on the ground.

Contractor forms authorize one day of admittance to the Transfer Station. Materials are subject to fees which must be paid when the materials are brought into the Transfer Station. We accept Cash and Checks made payable to the "Town of Barrington".

I hereby authorize the above-named contractor/hauler to bring materials from my property into the Transfer Station. I certify that these materials originated from the Town of Barrington and that they are not hazardous. I understand that if this form is not complete, the materials may be turned away from the Transfer Station. I further certify that the above information is true, and I understand that false statements could leave me personally subject to prosecution by the Town of Barrington and under New Hampshire RSAs and Town Policies.
